MUSIC EDUCATION EVENTS

Music Education Otago has a number of exciting workshops and events planned for 2011. Enrolment information will come through schools, the Star newspaper and remember to check online at www.menza.org.nz/Otago.html.

TERM ONE:

Ukulele for Early Childhood Teachers:

Easy chords to learn plus ideas to get everyone singing and involved in a fun music session using the ukulele.

TERM TWO:

Sing Up, Sing Out - Children's Songs and Games from Around the World:

An inspirational session for all teachers led by Julian Raphael, music educator and community musician, director of the Wellington Community Choir and Children's Choir.

Ukulele Kids' Jam:

Join us again, or for the first time, for a morning of ukulele fun. Schools will be provided with a free songbook and meet to share singing and playing, accompanied by the Ukulele Kids' Jam Band. Led by Alison Caldwell and Ruth Buchanan.

TERM THREE:

Ukulele Jam Extreme:

This one's for Years 7 & 8! Rock out with the Jam Extreme Band.

Choral Workshop:

A workshop led by Carole Randall, targeted at specialist choirs in Primary and Intermediate schools.

Recording Workshops:

Recording can be easy! By working with your existing equipment, the training will help you figure out what else is required to incorporate recording into your teaching and also teach you how to use it. MEO is delighted to support this initiative, for further information contact: liz@bluelinemusicstudio.co.nz

TERM FOUR:

Marimba Festival:

This year's event is for beginners and schools already playing marimba. Children who are new to marimbas will enjoy learning a variety of pieces from scratch. Experienced players and ensembles will meet to share pieces learnt over the course of a term and share individual items. Led by Celia Stewart of Christchurch and Errol Moore from the University of Otago.
